Parent Observations:

During the weeks of May 4th-21st you will have the opportunity to observe 45 minutes of your child's class. This is a time to see the activities your child does in the Montessori classroom. Look to the left of the door for sign up times. Please sign up for one 45 minute spot on a day your child attends class. Two sets of parents can sign up at a time.

If these times do not work, please call the school to make arrangements.

Buckaroo Bob: Buckaroo Bob will be visiting the school with his Ponies on May 6th. This is just a little fun thing for the kids. They will be here from 10am-2pm. If you would like your child's sibling to get a ride please feel free to bring them down. Buckaroo Bob will take a photo of your child on the pony and you will have an opportunity to purchase the photo. However, you are under no obligation to do so. We still need 2 volunteers to help as pony holders. You get a discount on pictures for volunteering. Please let us know if you are interested.

Last Day of School:

Thursday, June 11th is the last day of school. We will have an end of the year celebration complete with a small presentation by the children, at Lynndale Park structure #2 from 6-7:30pm. Please sign up on the potluck list to be posted later.
